## Vineta Sayer ASEA

Before she could talk or walk, Vineta was drawing horses. This life long fascination with horses combined with a brilliant artistic talent won her a place at Rozenthal's School of Art and subsequently the Academy of Art in Riga between 1980 - 1987.

Accomplished in all media including etching, oils and drawing, Vineta's work can be found in private collections throughout Europe, Australasia and the US.

Now living in the UK, Vineta won The Best Polo Painting Prize at the Annual Exhibition of The Society of Equestrian Artists of Great Britain and in the same year was commissioned by Coolmore Stud to paint an oil of Hurricane Run's victory in the Arc. She is a major presence in the world of contemporary equestrian art.

## Conjuring up the Perfect Gift

Equestrian Art Ltd, who brought you the original watercolour entitled ‘The Jockey’ painted by Martin Williams SEA, has teamed up with another leading, gifted and exciting equestrian artist - Vineta Sayer ASEA - to bring you another opportunity to own an original sporting masterpiece.

Each painting, rendered in oils, is available in a variety of standard and box canvas sizes featuring a unique composition which includes a panel or part of the painting showing your racing silks in stunning detail. Examples of these are illustrated opposite and on the front cover of this brochure.

Each painting is rendered in oils, therefore the delivery time from order is around 3 months.

As part of the process, the artist will provide a pencil sketch of the composition which will be agreed with you prior to starting the actual painting. At that time fifty per cent of the purchase price will be payable, with the balance payable on delivery and acceptance by you.

In the unlikely event that you are not delighted with the result, return the painting to us and Equestrian Art Limited will refund all monies paid to date in full.

## What will I get?

Your painting will be more than just a piece of fine art. Painted by one of the emerging stars in contemporary equestrian art, it will be an investment which will appreciate in value over time. As well as a fabulous original oil painting featuring your selected racing silks, you will receive a Certificate of Authenticity signed by the artist.

## How Do I Order?

**Send no money.** Simply fill in the panel opposite with your name and address and name under which your colours are registered at Weatherbys, if different to your own, or telephone us to discuss further.

Within two weeks we will despatch to you a sketch of the original composition incorporating your silks which will form the basis of your commission. You will be free to accept, amend or decline at this stage without any further commitment on your part. What could be simpler?

**Place an order by the 31st August 2008 for delivery before the end of 2008 and receive a discount of 5% off the price of your painting.**
